The family is required to inform the school in writing about the student's health condition and the medication he or she is regularly taking. This is done annually at the time of enrollment through the completion of the relevant contract form. In the event that health conditions change during the course of the year or new information about the same emerges, the family is still required to notify secretary@andersenschool.it promptly in writing.

Art. 13) TRIPS, EVENTS AND EDUCATIONAL INITIATIVES

Trips, initiatives and educational workshops (theater, museum, environmental trips, Christmas show, conferences, etc.)

The cost is spread over the total number of pupils in each class, so payment is due even if they are absent. No trip can be made where the participation of almost the entirety of the component pupils of the individual classes involved is not ensured, so in the case of non-adherence it is necessary to promptly inform the school within a week of receiving the communication.

For all organization, the conditions established by the agency organizing the outing or the entity at which the outing is held shall apply.
